RE: Application No. 10/802,328

Dear Mr. Truong:

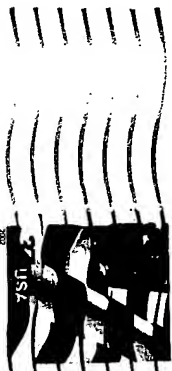

Thank you for taking sufficient time on the telephone to explain the details contained within the office action. The elected classification for this invention is class 173, subclass 1. Attached are the amended claims, numbers 1,21,and 25. Although not specifically referenced in the office action, claim 21 was amended due to the same indefiniteness issue as claim 1.

Edward M Bogue
